Chester Le Street

Private

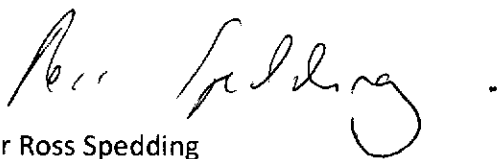

To whom it may concern

Brian attended the practice to request we completed a form in relation to his capacity to be able to represent himself at a Court hearing.

I have discussed this request with one of the partner's in our practice Varun Kaura.

I do not feel that I am in a position to be able to assess this specific request and give a judgement on Brian's ability to represent himself at a Court hearing.

Yours sincerely

Dr Ross Spedding
