Dear Mr Nesbitt

Dunlop Tyres Ltd

Thank you for your letter of 1 July 2003 on which we have taken our client's comments. Following the numbering used in previous letters we comment as follows:-

1   **Why did I not get the job which I was offered?**

The company did not offer you a job as Qtech Administration Assistant. It was thought for some time that it might be necessary to recruit to the position of a Qtech Administration Assistant and a job description was formulated. However, in the event, this role was not required at the company and the job was not advertised, no interviews were held and no offers were made to you or any other person.

2   **Why did the Personnel Officer walk out of a meeting?**

The Personnel Officer has no recollection of leaving the meeting prematurely.

3   **Why, just after that, did Rehab UK pull out of Dunlop?**

We refer you to our response of 23rd June 2003.

4   **Why did I not know who to get in touch with regarding health and safety issues at work?**

We refer you to our response of 23rd June 2003.

5   **Why did I keep getting extra work to do when I was complaining about already having to do too much to do?**
